

Regional Pods 2012

Proposal:

Trustees will make seasonal contact with the regional groups in their Pod to keep in touch in general and specifically when a clear indication of support or otherwise is desirable for trust decision making processes. The Pods have been grouped geographically. Trustee may facilitate meetings and support amongst their pod group to further strengthen links.

Purpose:

To facilitate more communication between the regions and HBA Trust so that regions feel more personally connected to the Trust and to each other.

This aligns with Goal 3 of the HBA Strategic Plan:

“To have a strong and flourishing network of active home birth groups throughout Aotearoa”

| Pod | Trustee | # Regions in Pod | Region | Contact | Phone Number |
|-----|-----------|------------------|-----------------|---------------------|---------------------------|
| 1 | Mayana | 6 | Whangarei | Helen Gibson | 09 436 3247 |
